1. Contiamo i passi da.... a .....

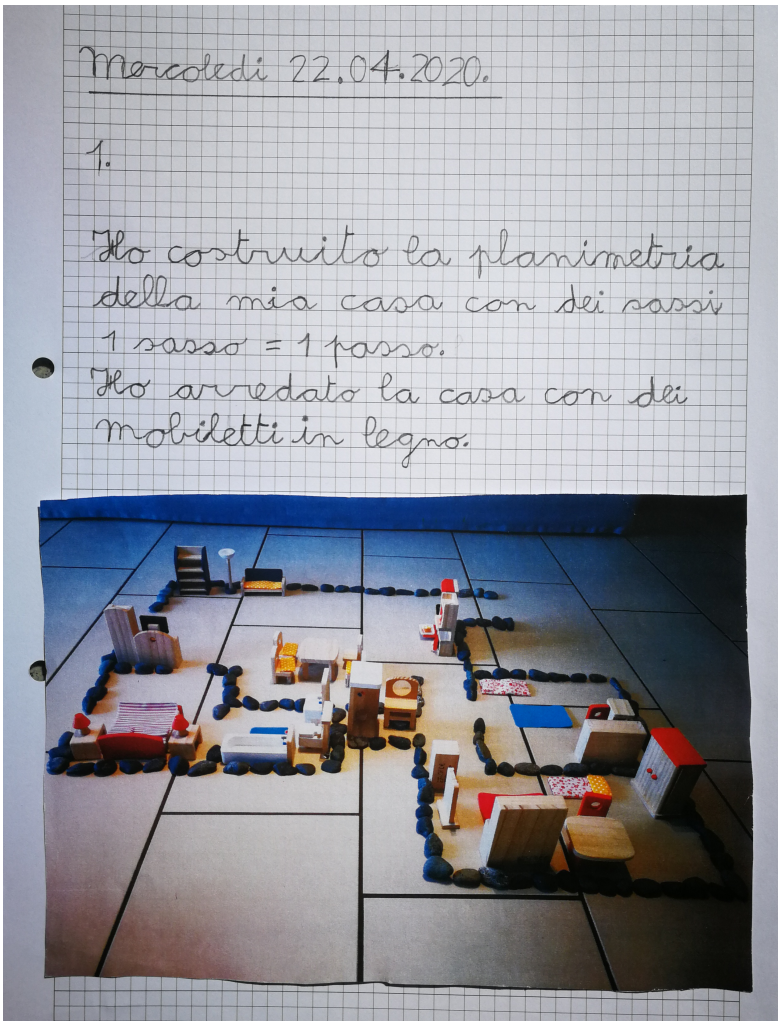

Guardate le planimetrie delle case dei vostri compagni: quante bellissime idee!!!

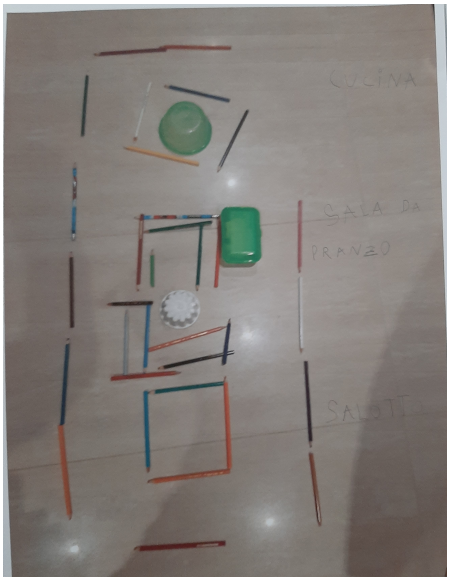

2 passi = 1 mattoncino di legno

1 sassolino nero = 1 passo

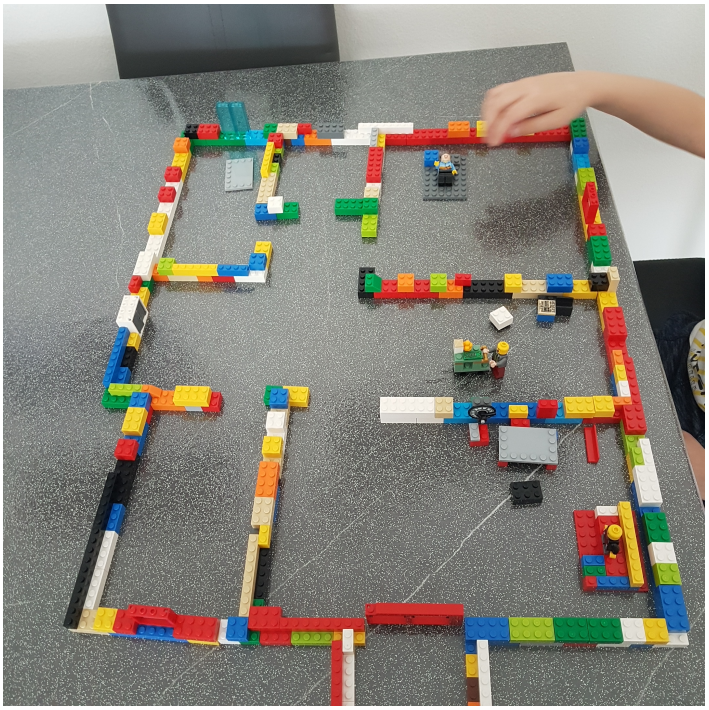

1 matita = 1 passo

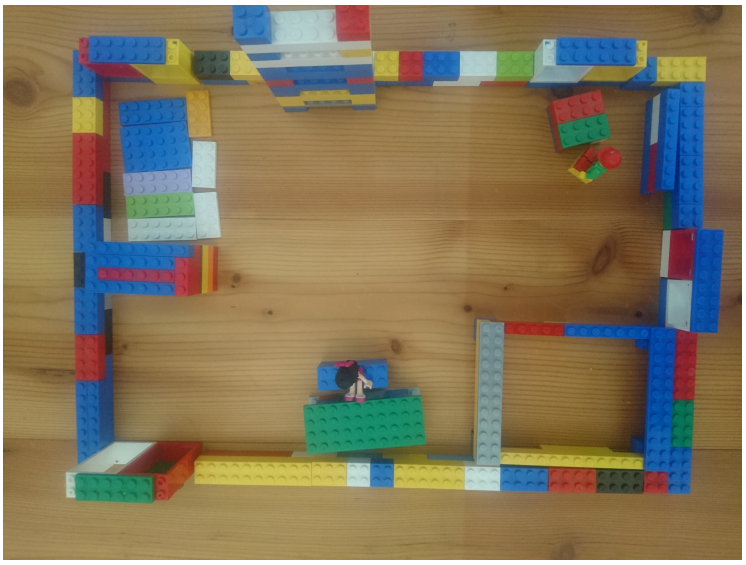

1 matita

↓

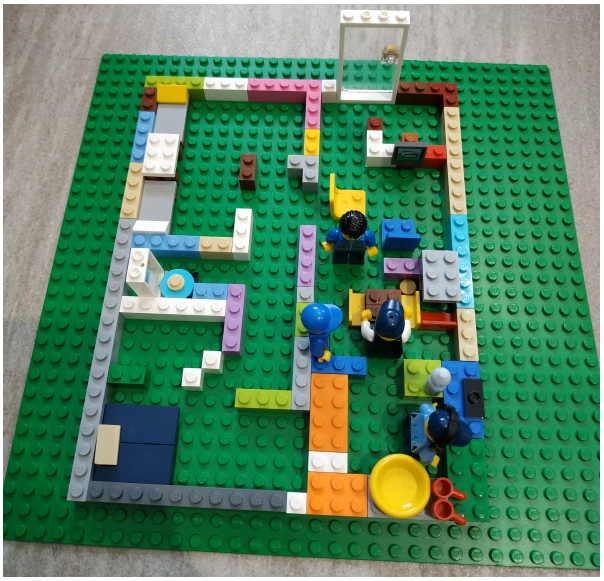

4 passi

1 lego = 1 passo

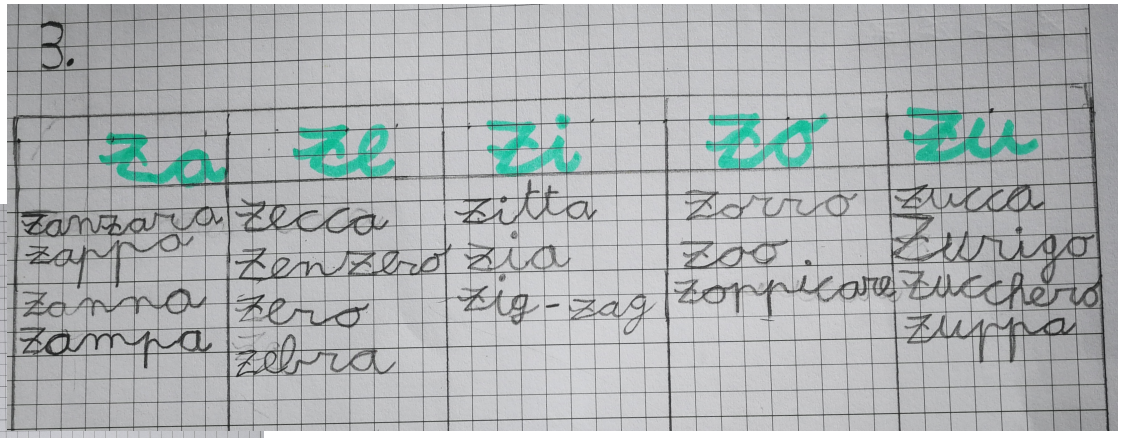

8 bottoni d'incastro = 1 passo

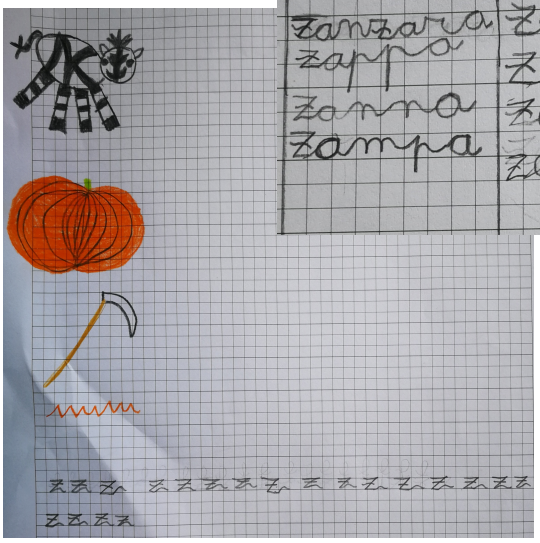

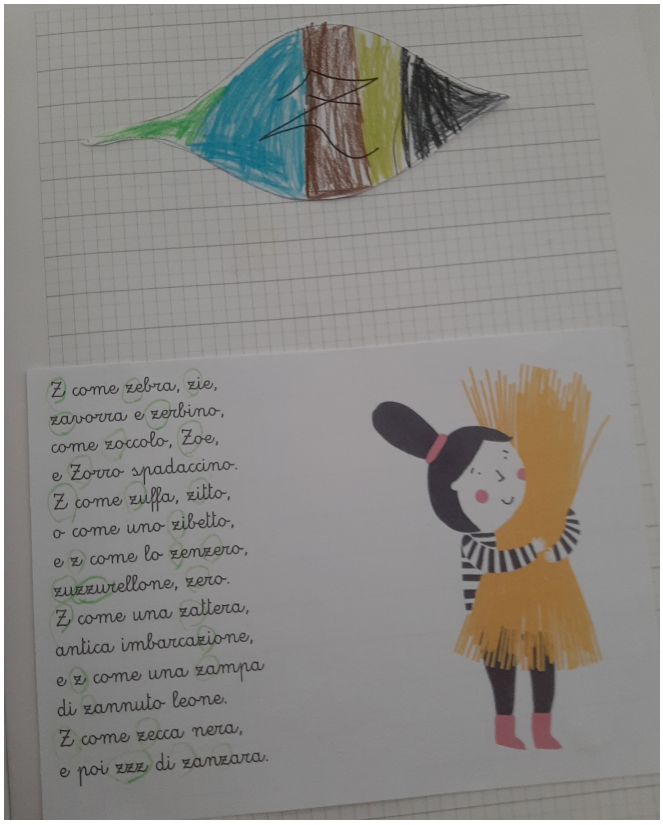

1 lego = 1 passo

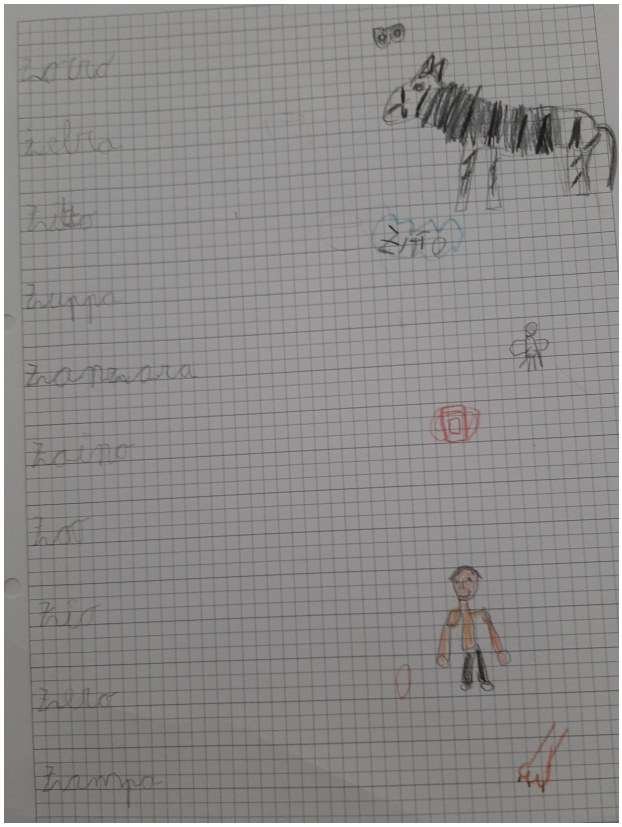

2. Gioco dei primi 20 numeri: vi è piaciuto fare i maestri? Siete riusciti a far indovinare tutti i 20 numeri? Che domande avete fatto?

3. 

→ Fine della terza parte delle soluzioni.

Scaricate dal sito la quarta e ultima parte delle soluzioni!
